Who We Are

AzSAE is for all levels of management and all types of nonprofits, from chief executives to staff managers, international trade associations to local philanthropic organizations and suppliers to the association community. We have a variety of educational programs targeted to different position levels and experience - from the "big picture" to specialized sessions.

Educational Workshops, Seminars & Luncheons - held throughout the year on timely and important topics related to association management.

Networking Opportunities - join other association executives at monthly meetings and other events held throughout the state.

AzSAE Newsletter - this bi-monthly e-newsletter provides relevant articles, updates and information on association management.

CAE Designation - AzSAE offers support for association professionals working towards their Certified Association Executive (CAE) designation.

Membership Directory - available electronically on the AzSAE Members-Only Website.

Surveys - AzSAE conducts regular surveys on management issues, compensation, benefits and communication.

Become an AzSAE Partner and discover the multiple benefits of networking within an influential community of leaders in the association industry!

All available partnership opportunities are listed in this packet.

As a **Partner**, your advertising dollars are directed to a key target market – increasing your company profile as credible supplier to the association industry. Arizona associations spend millions of dollars annually on facilities, products and services – and in many cases purchasing decisions are made directly by or influenced by our members. This premier program is open to a limited number of Partners annually. Exclusivity is provided to certain industry segments, increasing your visibility with current and potential customers.

Benefits-at-a-Glance

The AzSAE Association Partner Program provides comprehensive year-round exposure to the Arizona association community. Many of these benefits are ONLY available to Partners, making them cost-effective to reach the people you need.
